TECEloop "Kids" toilet flush plate

With the TECEloop "Kids" toilet flush plate, children can learn how to flush the toilet correctly by playing with colours. Quickly explained, easy to remember and always the right flush volume selected. This is how modern, child-friendly sanitary installation works.

Order number: 9240939

TECEprofil "Kids" toilet module

We have retained all the familiar advantages of the TECEprofil toilet modules with the Uni cistern and optimised them for use with children's floor-standing toilets. The perfect solution for our smallest everyday heroes.

Order number: 9300388

TECEprofil toilet module with Uni cistern, installation height 980 mm

If the kids are a little bigger and you would like to use a wall-hung toilet, then the toilet module with an installation height of 980 mm is the right choice.

Order number: 9300322
